	program to provide clothing like goodwills
	food
	more access to hygiene
	shower facilities
	shower station
	more food

	more hygiene stuff (bleach, soap, etc)
	have more cold drinking water
4. Healthcare	
More mental health services + housing for mental health	therapy through social workers
more psychologists to help w mental health	medical attention
mental health resources, therapy. ppl need to be heard	help the mentally ill; they are dying
help mentally ill with everything	give ppl more medications
provide ppl on drugs with resources	detox centers and treatment for drug users/everyone
hospital for ppl who are high risk for covid-19	improve the centers for addicts and disabled
provide mental help if needed	More popup clinic for psychological/physical help. Something like a referral for treating
put each person in detox centers to get drug free	health
mentally ill services	have more therapy available on the street.
help with drug problems	encourage vaccination/ more vaccine clinic
mental health	open more clinic resource (like the one near where we took the survey). It provides shower/ essential service/ to watch movie
mental health	mental health clinic. 60% of homeless needs help
check in on homeless- health and vaccine status	24 hr clinic for medical care/ mental health. accept more insurance
medical attention	psychological help
focus on mental health- they are the majority here	vaccines + nourishment. addressing basic needs
motivate/mandate ppl to take medication & go to therapy	counseling - mental health services outreach
help mentally ill. need doctors who care, not j prescribe	
substance abuse help. undercover surveillance	
mentally ill help	
Mental Health services	
Focus on drug abuse	
Mental Illness	
mental health, needs to be dealt first. Just sticking us into a house won't make us well. Being mentally ill and homeless takes a toll out of you	

Drug and alcohol makes us hit rock bottom. It's a process to get here. Doesn't happen overnight	
more programs - drug rehab	
counseling	
Doctor appointments - medical care	
more treatment centers for drug addicts and follow up so they can get off drugs.	
disabled folks need nurses so they can be taken care of.	
more mental health urgent care	
drug/alcohol rehab, to deal with the addiction epidemic	
group counsel - to talk about mental health, with priests	
mental health program. send people out to ask those on the street whether they need help	
have more medical assistance like cancer screening	
psychological help - free screening	
for diagnostic test for spreading disease (like HIV)	
to give mental health care, by referring people to screening	
drugs - rehab	
more programs for mental health, basic needs, services connect to homes, group counsels, information. teach them to get off the street.	
treatment for substance use	
mental health counseling - like case managers	
mental health programs, more diagnosis to know how to address situations	
medical care	
5. Other	
teach people who come to Skid Row to deal with situations	come down to skid row and listen to the people
fire corrupt leaders that keep people homeless	check in on ppl in tents/on street to see who needs help

need a unified structure- funding/agencies not working	unifying agencies
moving tents	treated like animals, which makes ppl want to live on streets
more ppl listening to community/ more staff	ask ppl what they need personally and help them
make a team of homeless ppl who bring up issues to gov	talk to people. give them hope and listen
improve homeless counts system	take food/comfort away so ppl won't stay in skid row
move ppl out of skid row	lead by example (stop doing drugs)
reach out to homeless, especially veterans	work w houseless ppl, talk to them
use money to help ppl, not being used properly	more events like these to create homeless awareness, helps
get crooked police out. gov needs to serve the homeless	Open adoption to help homeless, even for a short term
society should step up and help those in trouble	I would contact other politicians for them to get to my side. Be here to see what's going on
respect for humanity	I would come out and talk to people, and do a tedtalk
stop cash benefits so ppl don't depend on it. only to fams	address the community here and ask what we need first.
prevent homelessness with programs	Change the way the government work, have them all do a background check and get audited.
Create a system to give the homeless what they needs, like mental health help and awareness	Need an address for receiving Social Security
More politicians behind you	more shade like overhang
reform the budget	getting straight answers (community input)
Improve existing system for the homeless and the diisabled.	coffee every morning
outlaw sleeping on the street (after a street clean up)	
reduce housing (with the existing program that takes a portion of an income to pay for housing)	
follow other countries' models in treating homeless like universal health care	
Eliminate drug (cartel) on skidrow	

In person action fast, favors the homeless and disabled	
contracts are greedy. it gets money out of peopl	
6. Sanitation/Safety	
clean the buildings, gutters, exterminate rats	fix up streets for less accidents + ppl dont get hurt
daily cleanings, ppl can't live in filth they get sick	self defense for homeless + mentally ill
better sanitation, bathroom facilities. clean up Skid Row	cleaner bathrooms
clean up the street like rat deterrents	cleaning facilities
Have more trash cans	clean the streets
health - cleaning supplies for sanitation	clean up the streets
more cleaning	cleaner streets
street clean up	clean streets
clean up streets - clean pieces of poop	sanitation
strengthen police force for safer streets	street clean up - hire people on the street to help
more security to keep streets safer. cops not helping	sanitize the street (eliminate trash)
cops need to do their job and get involved. stop stealing	street cleanup
secure places for women	clean the street
security & authority for surveillance and safety	clean up the street, have more government services
more mental health assistance security/task forces	sanitaryfacilities
safety for violence	clean street more often, and hire homeless people
police need to do a better job helping & listening to ppl	more guards for safety patrol
police need to be trained to treat ppl. too judgemental	more law justic presence, enforce fed judges court orders
safety- peaceful walks from point A to B	Have more Skidrow housing (SRHT or SRO) and security guards around it
more training for the police	hire more police to help with the homeless
more police, surveillance	more police
Hire more police	
substance abuse help - more security
