

UCLA/A-Mark Foundation Survey Questions

Opening Questions	Mayor Question	<p>I'm interested to hear what you would do about homelessness, if you were Mayor of Los Angeles?</p> <ol style="list-style-type: none"> Can you tell me more about that? Help educate me on what makes this plan more desirable to unhoused people? Help me understand why this is better than what has been offered in the past? How would you rate these suggestions from highest priority to lowest priority?
	Short Run Question	<p>What kinds of things would you do in the short run?</p> <ol style="list-style-type: none"> What kinds of things would you start doing tomorrow to make immediate impacts on people's daily lives here on Skid Row? Can you explain to me which of those (suggestions) would be highest priority to lowest priority?
	Folk Question	<p>Which folks out here do you think need the most help?</p> <ol style="list-style-type: none"> Can you tell me more about that? Who do you feel the city should prioritize to get assistance to? How about second/third after that...?
Demographic Questions	<p>Now, I need to ask some Demographic Questions which will help us tell the story of what's important to Skid Row residents. Some of these questions may seem obvious, but we don't want to make assumptions and it helps us put the information together in a way that folks in charge can hear it. Is that okay?</p> <ol style="list-style-type: none"> May I ask your age? How long have you been experiencing homelessness? May I ask your race/racial identity? Are you currently married? Do you have children? <ol style="list-style-type: none"> Minor children? How many? Adult children? How many? Again, this may seem obvious, but I'd like to know what gender you consider yourself? Male, female, trans, nonbinary, prefer not to state, other...all okay Do you consider yourself to be disabled? 	
Additional Question	<p>Last questions, thank you for your patience! Is there anything you'd like to add to what we've talked about today? Or, anything you'd like people to know about Skid Row or experiencing homelessness that they should know?</p>
