CCA # 21-55395, 21-55404, and 21-55408. In this order, we consider only the request for an administrative stay. We find that a brief administrative stay is warranted to preserve the status quo until the district courts May 27, 2021 evidentiary hearing as these further proceedings may impact whether a stay pending appeal is necessary or justified. The district court's April 20, 2021 preliminary injunction is stayed until June 15, 2021. Appeal Nos. 21-55395, 21-55404 and 21-55408 are consolidated. Failure to file timely an opening brief shall result in the automatic dismissal of the appeal by the (9th CCA) Clerk for failure to prosecute. [See document for more complete details.](mat)

Filing 280 NOTIFICATION from Ninth Circuit Court of Appeals of case number assigned and briefing schedule. Appeal Docket No. 21-55395 assigned to Notice of Appeal to 9th Circuit Court of Appeals, #278 as to defendant County of Los Angeles. (lc)

Filing 279 MINUTE ORDER IN CHAMBERS by Judge David O. Carter. The Court provides the following two clarifications regarding the Preliminary Injunction issued on April 20, 2021. First, the directives under Accountability and City- and County-Wide Actions pertain to all districts in the City and County and are not limited in any way to Skid Row. Second, the provision regarding the cessation of sales and transfers by lease or covenant under Section 2(a)(ii) does not apply to projects in progress as of the date of the order, April 20, 2021. (kd)

Filing 278 NOTICE OF APPEAL to the 9th Circuit Court of Appeals filed by Defendant County of Los Angeles. (Attachments: #1 Exhibit A - April 20, 2021 Order, #2 Certificate of Service)(Hashmall, Jennifer)

Filing 277 MINUTE ORDER IN CHAMBERS by Judge David O. Carter. The Court acknowledges that it may appear unusual to issue a preliminary injunction without a hearing on the motion. In the Ninth Circuit, however, there is no presumption that the issuance of a preliminary injunction requires an evidentiary hearing; instead, the decision to hold a hearing is left to the sound discretion of the district court. In practical terms, the Court has already held 12 evidentiary hearings, and this preliminary injunction is rooted in the extensive factual record developed through these hearings. After numerous hearings and careful review of the motion and opposition, the Court finds it appropriate in accordance with the emergency conditions of homelessness in Los Angeles to grant preliminary injunctive relief without an additional hearing. To do so is consistent with Ninth Circuit precedent, the text and spirit of Rule 65, and the urgent need for relief this case presents. PLEASE SEE ORDER FOR COMPLETE DETAILS. (kd)

There have never been more infections or reported daily positive cases in Los Angeles than there are currently. Id. As the Coronavirus pandemic continues to worsen, the Court cannot in good conscience conduct an in-person hearing on the scale of the planned Status Conference, which numerous public officials, staff members, and community activists planned to attend. The Court recognizes that many prospective attendees have been hard at work preparing presentations for the Status Conference, and the Court regrets that they will not be able to share their knowledge with the Court on July 16, 2020 as planned. The Court, however, must prioritize everyone's health and well-being in these precarious times. As such, the Court will look forward to hearing from all of the individuals expected to attend the Status Conference as soon as it can be safely rescheduled in accordance with prevailing public health conditions. The Court hereby POSTPONES the Status Conference, and will reschedule the Status Conference as soon as public health conditions improve to an extent that the Status Conference can be safely held. Filing 78 MINUTE ORDER IN CHAMBERS by Judge David O. Carter: ORDER FOR STATUS REPORTThe Court thanks the parties, as well as all of the additional attendees, who participated in the April 23, 2020 Status Conference for their efforts to engage in constructive discussions regarding efforts to house those experiencing homelessness during this pandemic. By this ORDER, the Court is memorializing the participants suggestions as to the process by which this may be accomplished.To that end, the parties shall file a joint status report no later than 4:00 p.m. on Monday, APRIL 27, 2020, regarding the following:(1) The use of property located at 749 S. Filing 73 MINUTE ORDER (IN CHAMBERS) Regarding Request for Emergency Status Conference #72 by Judge David O. Carter: The Project Roomkey program -- a joint undertaking by the City of Los Angeles, the County of Los Angeles, and the State of California -- seeks to secure hotel and motel rooms in the local community to provide safe isolation for the vulnerable homeless population during this unprecedented pandemic. As part of this program, over 250 hotel and motel owners have been contacted by City and County officials, and currently the County of Los Angeles has entered into contracts for over 2500 beds. The implementation of the Room Key

Program will require cooperation of state and local government at all levels. The Court, recognizes the powers vested in the executive branch of government at all levels, including officials of the cities in which these hotels and motels are located. Concerns have been expressed by the cities of Lawndale and Bell Gardens regarding how this program is to be implemented. These concerns include, but are not necessarily limited to, the perceived lack of notice and an opportunity to be heard by the cities in which the hotels are located. The County of Los Angeles has requested an emergency status conference. Given the time-sensitive nature of the program and the concerns raised, the Court, to facilitate the discussion of these issues, respectfully invites the attendance of the following individuals at the previously scheduled status conference on Thursday April 23, 2020: City of Bell Gardens: Mayor Alejandra Cortez; City of Lawndale: Mayor Robert Pullen-Miles; Chairperson of the Los Angeles County Board of Supervisors, Kathryn Barger; and Not more than one (1) representative from each party in this action. In order to comply with the Central District of California's Continuity of Operations Plan and other public health guidance, the status conference shall be held at the Alexandria Ballrooms, 501 S. Spring St., Los Angeles, CA 90013. To ensure social distancing and compliance with public health guidelines, the above participants are urged to limit the number persons appearing on their behalf. Filing 62 MINUTE ORDER IN CHAMBERS by Judge David O. Carter: ORDER FOR STATUS REPORT AND HEARING. At the April 7, 2020 hearing, Plaintiffs and Intervenor requested, and the Court ORDERED, a status report, which Defendants shall file either jointly or separately by 7:00 p.m. on Monday, April 13, 2020. See document for detailed information. The Court indicated at the previous hearing that it was going to start settlement discussions immediately. The initial discussion concerned recreational vehicles and focused on Skid Row and the surrounding area, up to and including the 10 Freeway. The Court requests that the parties discuss designated areas for recreational vehicles and present possible options to the Court, beginning with Skid Row and the surrounding area. If the parties wish to present a more comprehensive plan covering more of Los Angeles City and County, they are welcome to do so. While the Court will begin settlement discussions with a focus on Skid Row and the surrounding area, the Court intends to quickly broaden the scope of these discussions to encompass more of the City and County. As such, the parties should also be prepared to indicate to the Court when their respective principals will be available for an in-depth settlement discussion. A hearing to discuss these matters shall be held on Tuesday, April 14, 2020 at 10:00 a.m. In order to comply with the Central District of Californias Continuity of Operations Plan and other public health guidance, the hearing shall be held at the Alexandria Ballrooms, 501 S. Filing 58 MINUTE ORDER IN CHAMBERS by Judge David O. Carter:In order to address the ostensibly inadequate sanitation facilities in Skid Row and the surrounding area, the Court hereby ORDERS Defendants City of Los Angeles and County of Los Angeles to submit a status report on Defendants plans for maintaining and servicing the sanitation facilities, such that the local community will have sufficient access to functioning sanitation facilities to mitigate the spread of coronavirus. Filing 52 STATUS REPORT IN ADVANCE OF APRIL 7 2020 HEARING filed by Intervenor Orange County Catholic Worker. (Sobel, Carol)
Filing 51 MINUTE ORDER IN CHAMBERS by Judge David O. Carter. Since its previous Order in this case #48 issued April 1, 2020, the Court has continued to observe

Document Text

the conditions of the homeless community generally referred to as Skid Row. The Court attempted to use four of the handwashing stations that were in place prior to the COVID-19 outbreak, and found no water in all four of the tested stations. The Court also attempted to use two of the newly delivered handwashing stations; one was fully functional, and one had soap but no water. Although this sample size is small, the Courts observations raise a strong inference that there are inadequate sanitation facilities available in Skid Row. The Court, accompanied by Los Angeles Police Department officers, also encountered an employee from Andy Gump, Inc., who advised that he was working on instructions from his employer to remove fifty of the companys existing handwashing stations from Skid Row. Although Defendant City of Los Angeles represents, in its April 1 Status Report (Dkt. 50), that the City is deploying sixty new handwashing stations to Skid Row, if fifty of the existing handwashing stations are removed, Skid Row will see a net gain of only ten handwashing stations. This minimal increase supports the inference that the sanitation facilities in Skid Row continue to be inadequate to meet the exigencies of the COVID-19 health crisis. The Court therefore ORDERS a hearing in this matter for Tuesday, April 7, 2020, at 2:00 p.m. In order to comply with the Central District of Californias Continuity of Operations Plan and other public health guidance, the hearing shall be held at the Alexandria Ballrooms, 501 S. Spring St., Los Angeles, CA 90013. (kd)

Filing 49 STATUS REPORT filed by Defendant County of Los Angeles. (Attachments: #1 Exhibit Exhibit A to Status Report)(McLain, Byron)

Filing 48 MINUTE ORDER IN CHAMBERS by Judge David O. Carter: The Court has received information indicating the lack of sufficient sanitary facilities to meet the basic needs of the homeless community generally referred to as Skid Row. The Court, moreover, has personally observed these conditions. In this community, there are very few sanitation facilities available, and it appears that no new toilets or sanitation stations have been installed in this area since the advent of the COVID-19 health crisis. If left unchecked, it is likely that the coronavirus will both devastate the vulnerable homeless population and exacerbate the existing public health crisis more generally. Therefore, the Court hereby ORDERS a status report by Defendants City of Los Angeles and County of Los Angeles to address the timeline for the installation of

fifty additional toilets and fifty additional sanitation stations in the Skid Row area. The Special Master has reported that a private-sector entity has reserved these needed toilets and sanitation stations, along with a commitment for their installation. All of the toilets and sanitation stations can be installed by Wednesday, April 8, 2020. Fifty of the toilets and twenty-five of the sanitation stations can be installed by Friday, April 3, 2020. However, the parties are invited to acquire and install from whatever source they deem appropriate the needed units within the timeline outlined above. Defendants City of Los Angeles and County of Los Angeles shall file the ordered status report, whether separately or jointly, by 4:00 p.m. on April 1, 2020. The Special Master has been ordered to communicate with the parties regarding these issues. (kd)
